PLOVER - Mondays
9:30-10:15 am
starting October 7th

WAUPACA - Thursdays
9:30-10:15 am
and 11:15-12

HAPPY
HALLOWEEN

IMPORTANT INFORMATION

WAUPACA LOCATION: Please keep the doors to the main gym area clear. This area needs to remain clear in the event of a fire. Refrain from entering the main gym area unless there is an emergency. This will help students remain focused on the task at hand. Any distraction can effect the class attention and the students safety.

BOTH LOCATIONS: Refrain from "coaching" your child from the sidelines. Comments made by parents can distract all of the students in the class and may confuse your child, making it difficult for the instructor to do their job.

WINTER SESSION

Winter session is just around the corner. Registration will open **November 7th** for students **currently** enrolled in the fall session and **November 8th** for everyone. Be on the look out for the schedule on Facebook and our website. Check with your child's instructor or the front desk for class recommendations the week of October 28th. Class tuition plus the \$20 annual registration fee will need to be paid at the time of registration in order to hold your child's spot in class. Register early as classes fill quickly.

Any students that use AOE or any other financial institution to pay tuition will receive information on the new registration policy for those students. All students paid by AOE or other financial institutions must register on-line using the parent portal.

CLASS DRESS UP IN OCTOBER

October is Breast Cancer Awareness Month. Let's wear **PINK** the week of October 14th - 18th to support those that have been diagnosed with breast cancer and for those that have survived the fight. You don't have to face it alone, we are stronger together.

OCTOBER 24 - 30TH

Students may wear their work-out appropriate Halloween costumes to class Thursday, October 24th and the week of October 28 - 30th. Don't have a costume? Feel free to wear any Halloween festive outfit to class. **NO PM CLASSES OCTOBER 31ST.**

COLD, FLU AND ALLERGY SEASON

Along with COVID, there is also cold, flu and allergy season. If your child does not feel well, please keep them home so we can keep unwanted germs out of our facility. If your child did not go to school, please do not send them to class. We hope our community can stay healthy this season.
