WINTER SESSION REGISTRATION

Winter Session Registration opens November 7th at 8 am for students CURRENTLY enrolled in the Fall Session and November 8th for everyone. Remember to check your child's parent portal for next class recommendations. Class recommendations are based on skill mastery and is important to understand that children develop these skills at different rates while they are growing and putting them in a class for convenience can affect their self-esteem.

GYMNASTICS AND NINJA PROGRESSIONS

In our gymnastics program, there are 4 levels of preschool, 4-5 levels of rec classes and 10 levels of competitive gymnastics. That is a lot of levels to learn the proper technique to develop those advanced skills you see on television. Safety is extremely important and rushing students before they have the proper strength and understanding can set them back on learning the important basic skills properly.

The Ninja Zone program currently has 5 levels (White, Yellow, Green, Blue & Purple) to achieve similar gymnastics skills. There are a lot of skills packed into only 5 levels. It is very common for Ninja's to be in the same level for quite awhile. Example: Gymnasts do not "compete" a back flip until Competitive Team Level 5 or approximately going through about 9-13 levels in gymnastics where Ninjas are doing them in Green or only 3 levels.

Jingle Bell Rock-Out
December 14, 2024

We will be hosting a Jingle Bell Rockout party from 9 am-noon at our Waupaca location. This is a **FREE** event and open to the public. There will be children's activities, crafts, games and even a special guest. Be on the look out for more details this month.

Bad Weather Policy

As the weather gets colder, we wanted to remind you of our Weather Policy. In case of bad weather, always use your own judgement in traveling to class. Classes will run as scheduled UNLESS AFTER SCHOOL ACTIVITIES ARE CANCELED DUE TO BAD WEATHER or the safety of staff, families or students is a concern. The Waupaca location will follow the Waupaca School District and the Plover location will follow the Stevens Point School District policy. If schools call for a virtual day **due to weather** or AFTER SCHOOL activities are canceled, Carousel Gymnastics will be closed. Any inclement weather closings will be posted on the Carousel Gymnastics Facebook and answering machines (if possible).
