Waupaca Location

Crafts | Games | Activities | Special Guest! (from 10-11 am)

SATURDAY CLASSES IN WAUPACA

if your child is registered for Preschool or Ninja classes on Saturdays, make sure to take note of the class schedule on this newsletter. With events scheduled on Saturdays, there will only be 9 weeks for students that have classes on Saturdays.

HOLIDAY BREAK SKILL CLINICS

Looking for a gift for your gymnast or ninja this holiday season? We are holding skill clinics over our holiday break on December 30th. Pair a clinic with a leotard or favorite ninja shirt and you have the perfect gift. Keep an eye out for those clinics. Information will be out in December.

MAKE SURE TO WATCH YOUR CHILDREN

We have had a number of children outside playing without supervision. Many cars are in and out through the day and with more winter weather coming and time to play in the snow, make sure to watch your children. Children need to be supervised by a parent while outside at all times.

Also help us keep children from running, flipping and screaming in the lobby area. There is not alot of room and those activities are best for the main gym area.

Pajama/Holiday week

DECEMBER 16TH - 19TH

Students can wear their festive clothes or pajamas the week of December 16th - 19th.
